

SS PETER & PAUL LUTHERAN
EXECUTIVE COMMITTEE MEETING

August 26, 2014 1:00 p.m.

The first official meeting of the Executive Committee was held with the following present:

Pastor Aaron, President Janet Turpening, Head Elder Jim Hewett, and Council Secretary Jean Pemberton. Absent: Vice President Warren Weingarten.

Pastor Aaron handed out two copies of “Structure Your Church for Mission,” by Kurt Bickel and Les Stroh to Jim and Jean to read. Janet and Warren have already read it. It is to serve as a guide in the process of changing the structure of SS Peter & Paul to better meet the ministry of our congregation as we are “Alive in Christ” through Worship, Groups, and Community. The two main categories are titled “Governance” (being) and “Operations” (doing).

The Executive Committee is continuing the work started by the Vision Team, which did the ground work following the “Focus on the Future” campaign in 2012. It is the intent to complete the process by late 2015.

Next meeting: September 18, 2014 To set goals and time lines.

Jean Pemberton
Council Secretary
