Enrollment procedure:

A pre-enrollment interview will be arranged for families requesting registration. During this interview, topics such as feeding and allergies, potty-training, and sleep routines are discussed so the Center staff is aware of how these routines are handled at home, and how they may be continued or modified. The director will review the policies of the Center with the parent(s) and/or guardian(s), and answer any questions that they may have. Families are also invited to visit the Center at this time. The transition to the Center will be more pleasant if arrangements can be made for the parent and child to visit the Center prior to their starting date.

Please note:

Saints Peter and Paul Lutheran Church does not provide transportation to or from the Center; you will be responsible for picking up and dropping off your child(ren) throughout the year. Additionally, you will have to pack your child's lunch and snacks as food service is not available at this time.

A full Parental Handbook will be distributed at the interview for enrollment.
